

WATCH FOR THE KENMORE MAN

THE BEST SHOES UNDER THE SUN are coming your way as fast as Our Representative can travel. Don't get impatient, for everybody seems to want Kenmore Shoes. It will pay you to wait—if you are particular about increasing your Shoe Business—for Kenmore Shoes have proven themselves to be the greatest trade builders the world has ever known. Write now if you are interested—a postal card will do.

Solid Throughout.

Good, old-fashioned bark-tanned leather is used in every pair of Kenmore Shoes—soles, outsoles, counters and heels. Not one piece of hemlock leather enters into the manufacture of the Shoes we make, therefore you get absolute comfort, for they do not draw your feet; besides, you get double service. Ask your shoemaker "what's the difference."

"Oak Leather, the kind we use, is the best and most expensive leather made."

Honestly Built.

Kenmore Shoes are built by people who have never known how to build anything but honest Shoes. They are stitched with the best threads that money can buy; standard wear-proof linings are used exclusively. The uppers are carefully selected before made up, and the shoes inspected, when completed, by an expert, thus insuring perfect service.

The handsomest Shoe ever built is worthless unless it wears. Kenmore Shoes are built to wear.

We furnish you with posters, signs, dodgers, letters, stereotypes, and employ every modern method in co-operating with our customers in planning and assisting them in their advertising.

Our Advertising Department is at your service. The expense is ours.

Guaranteed.
